PARK SLOPE is a popular residential neighborhood in Brooklyn, NY. The neighborhood's historic character accounts for a strong measure of its lasting appeal. Replete with row houses and brownstones, it is distinguished for having the largest landmark district in Brooklyn and enjoys quiet, tree-lined streets with wide architectural variety.

It is also home to a thriving locally-owned business community. In fact, many of the business owners live in the neighborhood and enrich it with their community involvement. Park Slope's commercial corridors are second to none and feature a number of excellent restaurants, bars, coffee houses, sidewalk cafes and shops that draw people from around the City.

The neighborhood is also known for its many cultural institutions, with close access to Prospect Park, the Brooklyn Academy of Music, the Brooklyn Botanic Garden, the Brooklyn Museum, the Brooklyn Conservatory of Music, the Central Library and The Old Stone House & Washington Park.

WELCOME TO 5TH AVENUE!

Trendy boutiques, destination eateries, legendary watering holes. Tired of generic shopping malls? Come to Fifth Avenue in Park Slope, Brooklyn to experience its authentic one-of-a-kind shopping and dining gems. #theother5th
