**WELCOME TO 5TH AVE** Forget April in Paris enjoy spring on Park Slope's 5th Avenue when the callery pears are in Bloom. Explore the historic brownstone neighborhood and then come to 5th Avenue for a bite of anything from coffee and pastry to michelin recognized feasts. Be sure to pop into one of our boutiques and jewelry stores for that perfect ensemble for date night.

Stop by The Old Stone House to learn the history of the battle of Brooklyn or let your kids play in Washington Park while imagining the original Brooklyn dodgers running the bases. Perhaps you'd rather try a historic walking tour or catch a music or drama performance in the park or one of the bars and venues nearby. You can find everything from plays to live music to burlesque on the other 5th.

Be sure to bring home some locally sourced, Brooklyn made, and eco-friendly gifts and mementos from our small businesses to make all of your friends at home jealous and remember your amazing visit. Maybe you need to get your sweat on. We've got you covered. Stretch with a yoga or pilates class. Or try fencing, boxing or martial arts. Use all the excitement as an excuse for a massage, facial, or infrared sauna. Or just visit one of our bakeries or chocolatiers for a decadent treat.

Weekends were made for a car-free stroll down 5th Avenue and dining alfresco during Open Streets. If you schedule your trip you can shop some of the wonderful merchants during the Fabulous Fifth Avenue Fair, or one of the art or maker mini fairs this Summer. Or join the fun of the Brooklyn Pride festival in June and then cheer the Pride Parade that evening before celebrating at the many LGBTQIA+ bars and restaurants.
